ElderCare & Fiduciary Services

We provide professional Geriatric Care Management and Fiduciary Services to the elderly and to physically and mentally challenged individuals, serving as the link between our clients, their families, and community resources

MISSION STATEMENT

Our Mission is to support our clients while providing mindful, dignified, and ethical caregiving and fiduciary management services.

We're family owned and operated. Our dedicated husband and wife team is highly qualified and professionally trained to assume responsibility for geriatric care management.

Fiduciary Services

Appointed by the courts, we provide comprehensive fiduciary services as Guardians, Conservators, or Personal Representatives of estates and trustees.

We also serve in agreement with other agencies as Trustees, Representative Payees or as Agents under Power of Attorney.

Our Promise to You
"The client is our number one priority. Regardless of the situation, you'll get compassion, respect, love, and caring. That's our promise to you."
≈ Fessha Taye and Teddy Kebede ≈

Fessha Taye MA, BA, CSA, CMC

Fessha has provided care and professional services to the elderly and to mentally and physically challenged individuals in various settings for more than 10 years.

He has worked for California's Administration on Aging as an Ombudsman and is an expert on prevention and intervention in cases of elder abuse.

Previously, Fessha was the founder and manager of Home Health Care Agency, a non-medical home health care agency for seniors in Oakland, California, with Teddy, his longtime partner and spouse. He holds multiple degrees in health and business related fields, including:

- MA ▪ Master of Art in Gerontology, emphasis Elder Abuse
San Francisco State University
- BA ▪ Bachelor of Art in Biology / health science, SF State University
- Dual - Certificate ▪ Professional fiduciary Management for Conservators and Trustees, California State University, Fullerton
- Certificate ▪ Ombudsman, Advocate for seniors, Administration on Aging

Professional Designations:

- CSA ▪ Certified Senior Advisor
- CMC ▪ Certified Care Manager

Teddy Kebede BSN, BA, RN, PHN

Teddy has spent more than 20 years experience as a registered nurse (RN), working as a case manager within institutional and home-based environments for Kaiser Permanente.

She has also worked as a public health nurse (PHN) for the City of Berkeley's Department of Health, where she specialized in case management for frail, elderly, and indigent residents.

The high road of our service is traveled with integrity, compassion, care, and understanding..... Our clients do not care how much we know once they are aware of how much we care.
